

Church Improvement Task Force

Charter: Visioning for the future ministry of our church.

Sanctuary Technological updates:

1. A combined computer and sound desk in the sanctuary.
2. A new higher power LCD projector, mounted from the ceiling.
3. Projection monitors for the choir and pulpit.
4. Wiring to ceiling and back to computer desk.
5. Possible new and better choir microphones.
6. Any other needed updates for our sanctuary.

Church Improvements and updates

1. Replacement of carpet in fellowship hall and hallways
2. New electronic outdoor sign.
3. Replacement of our church van.
4. Any other needed updates to our church to improve or expand our church's ministry.
