

# Care & Card Ministry Team

Our Care Ministry communicates love to the Nursing Home members / shut-ins / hospital patients and those recovering at home and also to special members with "special" needs. It is a way to present a faithful Christian witness and to allow God's love to flow through us to them. God gives us gifts/talents - we are using these gifts for God - we are trusting Him to help us use these gifts/talents for His Glory.

The Card Ministry sends inspirational cards monthly to shut-ins, Nursing Home members and people with "special" needs to uplift their spirits.
