

## **Yellow Page Ministries**

Ministry assistance is made available to members of our church who need help during times of crisis, transition or special need. People are needed to provide transportation for doctor visits or therapy, food/meals after coming home from the hospital, and small maintenance around the home (raking, gutter clean out, minor repairs).

Contact: Joan Altmayer (330/807-4209)

If you have a need or you can provide help.
